Don't miss this exclusive briefing specifically designed to reveal the secrets of successfully passing a pilot check ride! Ever wonder what a pilot examiner is thinking about during a check ride? This is your opportunity to find out! Featured speakers include four (4) local FAA Designated Pilot Examiners (DPEs) who will discuss how they conduct a pilot check ride and demystify the entire process. They will talk about the most common errors, special emphasis items, what applicants can expect during both the oral and practical portions and tips to ensure a positive outcome. Also, they will cover those safety issues that are important in the pilot certification process and unique to the New York metropolitan area. Bring your questions and increase your chances of success! Seating is limited so register TODAY!

Directions: The Main Terminal for Republic Airport is off Route 110 near the Air Traffic Control Tower.
